

ONLINE PROGRAM ORDERING - ADDING SUBSCRIPTIONS AFTER RENEWAL

If you are a **newly enrolled laboratory or site**, you may access our Catalog directly to order new programs.

If you are an **existing customer**, please note that the Online Ordering feature will be unlocked only after your renewal has been confirmed.

In either case, here are the steps to proceed:

1. Go to www.oneworldaccuracy.com and **log on to OASYS**, using your username and password.
2. **Access the Program Catalog** from your OASYS page.

3. On the Catalog page, check at the upper right corner if the cart  icon is present, which will confirm that the Online Ordering feature is unlocked for your site.
4. Search for the desired program by using the Search feature or via the listed disciplines.

2020 Standardization + External Quality Assessment Programs from Oneworld Accuracy Canada
